Lexton Links® designs are created based on more than 25 years of experience from the golf- and textile industry. Fits are sharp, sporty and classic and at the same time very commercial. Due to our very breathable and durable fabrics our apparel also is used for sailing, hiking, tennis, paddle, etc. -in general for all people enjoying an active lifestyle. Our polo shirts can also be used for business if you want to impress with a classic and sporty style.

Lexton Links® is a Danish company and our designs and fits has all a Scandinavian touch. Further the brand is inspired by the weather conditions and good golf courses near Lexington City, Kentucky, USA. In this climate there is a need for golf wear with function. In general, the weather in Lexington offers plenty rounds of golf with warm summers and mild winters, but tornadoes are not unknown in the area ....
